Our class will be trialling the use of Seesaw (<http://seesaw.me>), a secure online journal where students can document and reflect on what they are learning in class. Your child will be able to add samples of things they work on (including photos, videos, worksheets, drawings and voice recordings) to their own private Seesaw journal.

For your child to use Seesaw, the app needs your child's name in order to be able to associate work like their photos, videos or voice recordings with their account. Seesaw only uses this information to provide the service and doesn't advertise in Seesaw, create profiles of students, or share or sell your child's personal information or journal content.

Due to General Data Protection Regulation (GDPR), in order for your child to use Seesaw, we are required to obtain parental consent.

I hope that your child will enjoy using Seesaw to document and share their learning this year. Please sign below and return this permission slip so that your child can start using Seesaw.
